Detached house with 2 bedrooms and 2 bathrooms Bright and nice house with an area of 129,53 m2 distributed on one level. You enter the living room with an open kitchen, which makes the family room large and spacious. The house has tiles throughout in a neutral and nice style. There are 2 bedrooms, one has an en-suite bathroom and walk-in closet. The house is designed for 3 bedrooms but one of them is currently incorporated into the open living-room space as a dining room. If needed, it could be separated again using a wall and have 3 bedrooms again. There is a wood fireplace and built-in air conditioning. Outdoor area The plot of 510 m2 has a nice garden with seating both in the garden and a covered terrace at the entrance. In the garden there's also a private pool and a jacuzzi with 5 seats. The garden has several plants and trees and is irrigated with an automatic water supply. You can park your own car inside the plot. The property has a solar panels for hot water heating. External aluminum sun shadings on the windows and terrace door.
