Impeccable detached villa with views and easy to walk to amenities This charming villa exudes Spanish vacation style from the moment you walk through the doors. The large, yet easy to maintain grounds surround the house and have a traditional Spanish feel with fruit trees and palm trees. The land is accessed by an electric gate, which opens onto parking for a car in front of the property. To the rear of the property you will find the swimming pool, a large modern outdoor kitchen and plenty of dining and relaxation areas, making it the ideal location for summer living. Return to the front and you enter the house via the raised terrace. South-west facing, it is a pleasant place to sit, even in winter. Inside you will find a good-sized living room and a large, fully equipped separate kitchen. A rear door from the living room opens onto a terrace that overlooks the swimming pool. The master bedroom, on the ground floor, also has patio doors opening onto the pool area. There are three further double bedrooms upstairs, two of which have large balconies and pool or mountain views. This is a very well maintainee...
