We are pleased to offer for sale this Semi Rural Semi detached Spanish style bungalow, with the most amazing views of the countryside. The property is in Molins near to Orihuela city and has undergone some renovations by the current owners and has so much potential due to its build and plot size. As the property is on the end it has a lovely side garden area that is big enough for a pool, it used to have one. There is room for a driveway if you prefer and a wooden pergola to provide shade for dining or generally relaxing. The property has a front and rear entrance and has a large solarium that is accessed from the stairs at the side of the property. The house also has an inner courtyard so loads of outside space. There is a hallway with shower room off this. There is a large family kitchen, which also has a log burner. There is a lovely lounge with double doors leading to the courtyard, and another log burner. The master bedroom has a large en suite with bath and the other guest bedrooms are both double rooms. The property is decorated and tiled in neutral colors and the light floods in. The town itself is full of amenities, the Carrefour and the town is a short 2 minute drive away. ...
