Here we are delighted to offer to the market this spacious four bedroom family home, situated in the heart of Daya Vieja. Since construction the house has undergone renovation from the original design, giving now an open-plan living area to the ground-floor with integral access to the garage, wc and patio at the rear. To the first floor, leading from a large landing area there are 3 double and one single bedrooms, full, recently installed walk-in shower bathroom and balcony form two of the bedrooms. An incredibly rare opportunity to purchase your own piece of true Spanish living.
