This is a unique opportunity to purchase this four bedroom high quality, Ibiza themed smart villa packed full of high tech features and design. Finished using only the highest quality materials throughout, even the plot and 9 X 4 heated swimming pool are finished using only the finest Italian marble. In addition upstairs there is a five person heated jacuzzi with entertainment system, open plan kitchen and BBQ. More incredible smart features of this villa include; High security (German made) windows and security shutters, smart (German) kitchen, smart under floor heating system, even the family bathroom has a smart (retailing at 15,000 euros) 'magic' mirror. Throughout the house is a smart lighting and control system with energy management system (mains and solar systems). This fabulous property even boasts a Welcome Home feature whereby the house will recognise your approaching vehicle and activate the villa to welcome you. Absolutely everything and much, much more has been packed into this amazing property for you.
