This lovely property has stunning views down towards the coastline which is just a 25 minute drive away. There is really good size fully fitted kitchen and utility room, (possible to double the already good size kitchen) a lounge with chiminea which leads onto the terrace overlooking the pool. This property has many traditional features combined with the modern facilities we now require, its been updated with good quality materials and the pool 8x4m2 is recent with full guarantee The gardens are lovely with some lovely seating areas and features and many trees, palms, shrubs and plants. On the lower tier is an orchard with Olives and and almonds. This property has up to date habitation license with new EEC regulated septic tank installed. Well worth a viewing!
