Lovely ground floor apartment only 2 minutes walking from Naufragos Beach!!! The property is based on a gated complex and it overlooks the swimming pool. The good size terrace offers the shade in the summer and is perfect for enjoying morning coffee or sunset wine moment. Inside, you will find am generous living/dinning space with access to the 2 bedrooms and 1 bathroom. The kitchen is separate and utilited. The best of this property is the beach and the sea views from the ground floor. We reccomend early viewing for this property !!!
