We are delighted to present to you this wonderful family home, located in the countryside but within a short walk or drive to the town of Bigastro. The villa sits on a lovely plot of more than 2500m², surrounded by nature and well maintained with various trees, fruit trees and pretty shrubs. The villa itself is over an incredible 422m²! and another 422m² of basement and garage space! The property is laid out all on one level. Entering from the main wrap around terrace you leave the views of the countryside and enter into a most wonderfully designed entrance hall with stunning windows and features, from which you can access the living spaces and bedrooms. The generous living room has a beautiful stone fireplace, and plenty of space for relaxing. From here you have the modern spacious kitchen, which also gives access to the swimming pool and gardens, and there is also a door leading to the garage and under-build. From the entrance hall you have access to the master bedroom, with en-suite bathroom and dressing area. There are also 3 further bedrooms and a family bathroom. Throughout the house there is air conditioning, and pre-installation for central heating. Outside the villa continu...
