This stunning Spanish finca/country house is located in Los Desamparados just outside of Orihuela city, consisting of 3 bedrooms and 2 bathrooms. Built in 1967 and faces south. Located a private road and built on a 306m² plot this finca is a good size of 180m² all on one level with a roof solarium having panoramic views of the country side. You can even see the lady on the hill, the protector. It has high walls surrounding the plot for privacy. The front terrace/garden has been made into a beautiful seating area all made out of pallets for the rustic look, with a large covered terrace beside the property having wonderful built in archways leading to the front door. Also comes with a rockery at the end of the garden. A brief description of the property: you enter into the entrance hallway which leads through into the large living room with log burner. The entrance hall also accesses the 3 double sized bedrooms all with free standing wardrobes. While the master bedroom comes with an en-suite bathroom with corner shower unit. Towards the right of the property is the spacious separate kitchen with bottom modern units and integrated white goods. Not forgetting about the stunning funcio...
