This country house is located just 10km from Abanilla town in Murcia. The property has a plot of 5.000m<sup>2</sup> with many olive and almond trees near the Quibas mountain in Abanilla. This place is perfect for nature lovers! The 2 bedroom house is built in 2008 but never been occupied. The kitchen needs cabinets, otherwise the house interior is ready. The property has electricity. Water should be supplied by a tank. All the installation is done except for the water deposit. The access to the house is by an asphalted road (400m) from the RM-A10.
