

Ref: NH-29174

Commercial, Torrevieja

255,000€

Great opportunity to buy this central business unit with a huge attached garage next to the premises, with internal access. The local consists of a reception area, bathroom and storage room, with 420m2 of space, covering more than two streets and less than 200 meters from the sea, this local really benefits from a privileged location. IBI: € 1,262 a year
