Here we are delighted to bring to the market this country estate comprising a traditional farm house, two detached villas, plus a self contained apartment and it has a separate building that houses a gym and a large games room, with an additional lounge area. This estate offers four completely renovated properties with leisure facilities and offers a total of twelve bedroom and ten bathrooms. An ideal property for a large family or to be run as a retreat/B&B. Main house is distributed over 2 floors. This has a large living room with dining area, there is also the feature of wooden beams and a feature fireplace with wood burning stove, there are three double bedrooms (upstairs), the master has a large dressing room and en-suite, two additional bathrooms and a modern kitchen with dinning area. First Villa (one level) has a large living room with wood burner an open plan kitchen, four good sized bedrooms and three bathrooms (2 en-suite). From the living room you have access to a large terrace with patio and BBQ area. Second Villa (one level) has a large living room with wood burner and open plan fully fitted kitchen, there are four double bedrooms and three bathrooms (2 en-suite)
