Wonderful and totally independent country house between Rojales and San Fulgencio. With a building area of 360m² with a plot of 1,400m², it is ideal to renovate it and use it as a regular home or for holidays. It has four bedrooms, two large living rooms, a large kitchen and a bathroom. In the back there is an 8x4 swimming pool with a large paved terrace around it, ideal to enjoy in summer. In the same building we have a large warehouse of about 120m² that can be used for different uses, garage, storage room, etc... On its south face it has a magnificent porch ideal for celebrations throughout the year. The plot is cultivated with fruit and ornamental trees both at the rear and at the front. Ideal home for holidays or to live all year round. Great opportunity
