This lovely cottage style property is in the countryside of Dolores only 7 minutes by car to Dolores, 20 minutes to the beach and 30 minutes to Alicante Airport. When entering the property you're welcomed into a lovely, bright dining room with views of the beautiful wooden staircase leading to the master bedroom. The Living area has a log burner and has an entrance to the side patio. There is a family bathroom with shower and bath and double bedroom leading from the living area. The kitchen is to the rear with covered and glassed terrace. This area could all be opened up to create a larger space if needed. There is a spacious bedroom to the rear which has views of the garden. The garden at the rear of the property has a large mature tree for shade and a large banana tree with bananas growing. There is an out building which used to be an old stable and plenty of space to the back of the property which could be cleaned to create a larger landscaped garden. Dolores is a thriving town and has all local amenities which you might need, including Drs, supermarkets, cafes, bars and restaurants. You can reach the beach and Alicante airport in 20 minutes, with all local amenities being av...
