I am excited to announce a new detached country villa on the market. Consisting of 3 bedrooms and 2 bathrooms built in 2002. This villa comes with many beautiful features including wooden beams on the roof, gas fireplace, 39m² rear covered terrace which overlooks the wonderful countryside and private swimming pool. Connected to mains water and a 24 panel solar system with lithium batteries and a back up diesel generator. There is a possibility to have a wind turbine installed or to connect the property to mains electricity. Comes with 3 septic tanks for wastewater. One of which is attached to the house being the new Ecological system, the other a grey water system ready for a campsite. A brief description of the property: you enter into the open planned kitchen with island in the middle, newly renovated boasting from French windows and doors to let in the natural light. Also to have direct access to the rear terrace and pool. Towards the left you find the utility/pantry room which leads to a cosy office and the independent salon. Newly converted, hosting a large wooden terrace out the front. The 3 bedrooms are all large doubles with 2 family bathrooms. O...
