Consisting of 5 bedrooms and 5 bathrooms with off road parking, salt water private swimming pool and a gorgeous garden with artificial grass. Offering a modern interior with an open planned living – dining room with centralized air conditioning throughout. Built in electric fireplace and a fully equipped kitchen with island. On the ground floor you can find the principal bedroom with walk in wardrobes and en-suite bathroom with his and her sinks. Including a guest bathroom and utility room for storage. From here you have direct access to the swimming pool and secluded areas for seating. Upstairs holds 2 double bedrooms both with en-suite bathrooms while one benefits from having a large balcony. Here leads you to the roof solarium where you can enjoy the truly amazing views as far as the eye can see. The solarium also comes with storage and a sink for a kitchenette. Downstairs in the under build you have an extensive open area holding a games room, fully equipped kitchen and dining table area...
