This corner-positioned semi-detached property offers a rare opportunity to purchase one of the best positioned 'Vision' models with the bonus of an extra-large garden. The property is on a plot far away from the rest of the Vision models offering a lot of privacy. This modern property is ready to move in, and the developers are still building this model in the area, so it is like purchasing a new build property without having to wait a year for the property to be finished. Other benefits include being offered for sale at a lower cost than the new build price and having the kitchen appliances, air-conditioning and the landscaped garden included. The Vision model offers a comfortable energy efficient and, bright interior with a build area of over 75m² and includes features such as thermal and acoustic ventilation in the roof and walls, ducted air-conditioning throughout and a heat pump hot water system reducing CO₂ emissions and 75% of the water is heated free. The developers design for this villa is flexible allowing distribution to suit the individual, the current owner chose a separate kitchen however, this can be easily reverted to make it open plan if you prefer.
