This beautifully renovated villa sits on a 435 m2 plot in the popular area of El Chaparral, Torre Vieja. It offers comfort, style and easy Mediterranean living. The property features three bedrooms and two bathrooms. It suits both permanent living and holidays. Disabled access ensures accessibility for all. You enter the main villa through a glazed-in front terrace. This space works perfectly as a sunroom or relaxed seating area. The lounge feels bright and welcoming. A feature gas fire creates a warm focal point for cooler evenings. The open plan kitchen has been fully renewed. It includes a modern design and a striking central island. This area works well for daily life and entertaining. A separate dining room sits just off the kitchen and provides a pleasant place for family meals. Two guest bedrooms offer flexible accommodation. A modern family shower room serves this part of the home. The master bedroom enjoys privacy and comfort. It includes an en-suite shower room and a separate laundry room. Outside, the villa continues to impress. The plot offers several terraces for sun and shade. A small private swimming pool adds real appeal. The property also includes a car port and a s...
