Townhouse, Pilar De La Horadada

285,500€

New Build Townhouse, prices from €285,500 Residencial Natura IV - Townhouse in Pilar de la Horadada In a quiet residential area of Pilar de la Horadada, just a few minutes from the town centre and just three kilometres from the sea, an exclusive collection of four newly built villas has been created. With contemporary architecture and comfort in mind, these homes combine intelligent design, energy efficiency and a relaxed Mediterranean lifestyle. Their privileged location offers proximity to amenities, nature and some of the best beaches on the southern Costa Blanca. **OUTDOOR AREA** Each property has a private plot that invites you to enjoy the outdoors all year round. A garden for exclusive use, parking within the plot and a spectacular rooftop solarium with pre-installation for outdoor kitchen make each space a perfect place to relax, share or simply let yourself be carried away by the sunny climate of the area. In addition, there is the possibility of adding a private swimming pool, ideal for those who want extra comfort and exclusivity without sacrificing day-to-day functionality. **INDOOR AREA** The villas are distributed over two floors and have three bedrooms and two bathrooms. The gr...
