Semi detached villa, Ciudad Quesada

399,000€

This charming semi-detached villa, ideally located within walking distance to all local amenities, offers: 3 spacious bedrooms, 3 bathrooms, a private garden and a sunny solarium. Situated in a secure gated community, the home provides flexible parking options—you can park on your own private plot or use the communal parking area within the urbanisation. The property boasts two separate entrances: One entrance is accessible via the private parking area, leading directly into the kitchen. The second entrance opens into the garden, creating a welcoming path to the main living areas. On the ground floor, you'll find a spacious living room with large French windows that allow plenty of natural light to fill the space. The open-plan kitchen connects to the living area. From the living room, sliding glass doors open onto the terrace located by the entrance. Upstairs, you'll find three comfortable bedrooms and two bathrooms. Both main bedrooms have their own private terraces with lovely views overlooking the community pool area. External stairs lead up to a spacious rooftop solarium, that includes a shower and a kitchen/BBQ with panoramic views.
