WE HAVE A NEW LISTING!!! We present to you this ground floor apartment located very close to the shopping centre. The property is in a gated community with swimming pool, children's playground and a private parking space. As you walk into the property you will find a large terrace which has storage place on one side and the owners have fitted an awning covering all the terrace. Next there is a glazed porch and past it you will find the living/dining area. The kitchen has been extended to the galleria which has been covered. There are 2 bedrooms. Main bedroom has a fitted wardrobe with a window looking out to the terrace. The second bedroom has a nice size and a window looking out to the galleria. There is also a full bathroom with walk in shower that has been fully refurbished. The house is sold unfurnished.
