Back on the Market! At almost the highest point in Quesada, we have the pleasure to present a townhouse with magnificent location and wonderful views from the upper floors. The property consists of three bedrooms, two bathrooms, three terraces, kitchen and a small garden. The urbanization has a beautiful pool area with three sections and a long narrow fountain in the middle of the area surrounded by beautiful plants, various shrubs, palm trees and trimmed trees. Restaurants and other amenities are within walking distance. The Guardamar Beach is a 10-minute drive away. Needs some tlc, but nothing major.
