Located within the Vistabella Golf resort in the province of Alicante, this new-build development is integrated into a well-maintained residential environment surrounded by green areas. The properties feature 3 bedrooms and 2 bathrooms, offering a balanced distribution that adapts to both families and those wishing to have an extra room for guests, a home office, or a relaxation area. Every space has been conceived to provide spaciousness and well-being, combining modern aesthetics with daily practicality. Situated within the Vistabella Golf area, the complex allows residents to enjoy a peaceful and pleasant atmosphere, with close access to amenities, commercial areas, and sports facilities. Furthermore, its strategic location facilitates easy connections to various towns in the Vega Baja and the beaches of the Costa Blanca, allowing you to combine the serenity of the inland with proximity to the sea.
