Located in Ciudad Quesada, this detached villa with distinctive architectural style offers a complete layout distributed over four levels: basement, ground floor, first floor and solarium. The property combines space, functionality and open lagoon views in a sought-after residential area of Costa Blanca South. The basement provides a truly independent living area. It features a brand-new fully equipped kitchen with direct access to the outside, ideal for outdoor dining or for creating an additional living space. This level offers excellent potential as a guest area, leisure room or secondary apartment. On the ground floor, the villa includes a bright living room with fireplace and a separate kitchen with access to an outdoor gallery. One bedroom and a full bathroom are also located on this level, offering practical comfort for daily living. The first floor accommodates two additional bedrooms and a family bathroom. The terraces accessible from the upper levels enjoy open lagoon views, enhancing natural light and providing pleasant outdoor spaces. The house benefits from air conditioning throughout, ensuring year-round comfort. One private parking...
