Located in an established commercial area of Ciudad Quesada, this spacious 135 m² commercial unit offers an excellent opportunity for businesses, professional practices, agencies or service providers looking for a functional, highly adaptable and immediately available workspace. From the moment you enter, the property impresses with its generous proportions and impressive ceiling height, creating a bright and open environment. The large glass frontage allows natural light to flood the interior while also providing excellent exposure and visibility for businesses welcoming clients or visitors. The main floor features a spacious open-plan area that can easily be adapted to a wide range of professional activities. Whether you are looking to establish a real estate agency, consulting office, showroom, training centre, beauty clinic, medical practice or service-based business, the layout offers outstanding flexibility and potential. One of the property's most attractive features is the mezzanine level, which significantly increases the usable space. This area can be configured as private offices, meeting rooms, consultation rooms, administrative workspaces or ...
