Modern 3-bedroom villa built in 2023 featuring a heated saltwater pool, Smart Home technology, solar panels and a spectacular 43 m² rooftop solarium. Completed in 2023 and presented in immaculate condition, this elegant detached villa perfectly combines contemporary design, premium comfort and modern technology. Located in one of the most desirable residential areas of Los Montesinos, it offers a lifestyle centred around light, privacy and outdoor living. Built on a private 205 m² plot with 114 m² of interior space, the property has been thoughtfully designed to maximise natural light and create a seamless connection between the interior and exterior spaces. Large sliding windows flood the living area with sunshine and open directly onto the terrace and swimming pool, creating a relaxed Mediterranean atmosphere. The main living area is spacious and welcoming, combining lounge, dining room and a fully equipped designer kitchen in one elegant open-plan space. High-quality materials and tasteful furnishings create a sophisticated yet comfortable environment, ideal for everyday living and entertaining. One of the home's greatest advantages is the mas...
