Built in 2021, this 3-bedroom villa offers a private pool, large solarium, solar panels and premium features just steps from amenities. Located in one of the most desirable areas of Ciudad Quesada, this stylish detached villa built in 2021 perfectly combines modern design, energy efficiency and Mediterranean outdoor living. Offering 107 m² of built space on a 198 m² plot, it provides an ideal setting for enjoying life on the Costa Blanca all year round. Upon entering, the property immediately impresses with its bright interiors and contemporary layout. The spacious living and dining area flows naturally into a fully equipped open-plan kitchen, creating an elegant and sociable environment designed for both everyday living and entertaining. The villa features three comfortable bedrooms with built-in wardrobes, two modern bathrooms with underfloor heating and an additional guest toilet. Every room has been designed to maximize comfort, functionality and natural light. Outside, the private swimming pool creates a true oasis of relaxation. Several terraces surround the property, offering sunny and shaded areas throughout the day. The impressive rooftop...
