Large rustic plot available for rent near Ciudad Quesada, suitable for the assessment of agricultural, energy, sports or professional projects. For rent in Rojales, in the La Cañada de la Sartén area, this extensive rustic plot offers a cadastral surface area of 55,768 m², equivalent to more than 5.5 hectares, in a particularly attractive location very close to Ciudad Quesada, Benijófar and the main transport links of the Vega Baja. The property stands out above all for its size, visibility, open surroundings and proximity to several established residential areas of the southern Costa Blanca. It represents an opportunity to be considered by companies, operators, businesses or investors looking for a large plot on which to develop an activity requiring outdoor space and a location outside urban centres. The plot enjoys a strategic position between a rural environment and expanding residential areas. Ciudad Quesada, Doña Pepa, Lo Marabú, Rojales and Benijófar are all within a short distance, as are the area's shops, services, sports facilities, golf courses and tourist destinations. The proximity of the CV-905 provides easy access to Rojales, Torre...
