Villa Duavita has its own dedicated web presentation, created to offer a much more immersive way to discover the property than a conventional real estate listing. Photography, video, a detailed presentation of the main residence, the wellness residence and the outdoor areas all come together to give a much clearer understanding of the estate's scale, layout and unique atmosphere. We invite you to discover Villa Duavita through its complete dedicated presentation: [DISCOVER THE VILLA DUAVITA MINI WEBSITE] Located in Ciudad Quesada on the Costa Blanca, Villa Duavita is a particularly distinctive property thanks to its scale, configuration and the variety of spaces it brings together. Set on a private estate of approximately 2,440 m², the property offers close to 840 m² of built area and combines two complementary residences, extensive landscaped gardens, an outdoor swimming pool, a spectacular indoor pool, several wellness areas, a private sports court, a summer kitchen and a two-car garage. The main residence, measuring approximately 332 m², includes four bedrooms, three bathrooms, generous reception and living areas, a music ro...
