Spacious and bright apartment with two bedrooms and two bathrooms in the center of Elche. With its more than 150 m2 make this one of the most dreamed by all. All its orientation is to the Puente del Castillo, has a large living room attached to the kitchen, the kitchen all equipped with large brands of appliances. Its large viewpoints let pass a great light illuminating all its space.... Its sunscreens also protect the privacy of the entire floor. Interior gallery with large spaces for washing machine, dryer and storage. Single room and courtesy bathroom in hallway; spacious master bedroom with en suite bathroom. LED lighting on the ceilings, porcelain floor, air conditioning hot/cold throughout the house by driving and zoning. The property has two large garage spaces, as common areas to highlight on the roof of the building is the communal pool and recreation that have great panoramic views of the river, bridges, castle and Palm grove of Elche.
