Welcome to this stunning modern villa in Rojales. Built in 2020, this impressive property remains in immaculate condition. The villa offers five bedrooms and four bathrooms across three spacious floors. It combines contemporary living with generous spaces for entertaining family and friends. Outside, the private plot provides everything you need to enjoy the Mediterranean lifestyle. There is an off-road parking space, a private swimming pool and a large tiled terrace. The villa is entered through an enormous open-plan kitchen and dining area. This fantastic space provides the perfect setting for entertaining large families or groups of friends. The modern kitchen offers plenty of workspace and storage and the generous dining area creates a wonderful social space for everyone to enjoy. At the rear of the property, you will find a huge storeroom. This practical space is ideal for storing bicycles, garden furniture and other belongings. There is also additional kitchen space within this area. The ground floor also features a double bedroom and a guest shower room. This makes the villa particularly versatile for families and visiting guests. Upstairs, the first floor offers two spacious...
