This superior detached villa of unique design and finish is idyllically situated, also within easy reach of all village amenities. The living area comprises; four double bedrooms, two bathrooms (1 en-suite), independent kitchen, spacious lounge/dining area. Access to all areas of the villa is provided via the cleverly designed and spacious hallway. Internal stairs lead onto the solarium terraced area above. Outside, the villa enjoys a lovely all-round covered terrace feature, accessed from the living area by either main entrance or French doors from the lounge. The plot has been laid out perfectly, with flowing graveled access to the front of the property, to the rear terraced pool area, summer kitchen and ample recreational zones, accommodating easily any social events you may want to host. On a more practical level, the large plot lends itself to the possibility of various commercial, sporting/recreational ventures. This incredible villa must be viewed to be fully appreciated, we do not expect this exceptional opportunity to be on the market long, so call us now to arrange viewing!
