Sometimes you don't want to dream about it — you want to make it happen. This move-in-ready ground-floor apartment has only recently been completed and is perfect for those ready to act quickly and eager to have their own place in Spain within just a few weeks. Everything feels brand new, fresh and thoughtfully designed: a bright living area with an open-plan kitchen (35 m²), 2 bedrooms and 2 bathrooms, neatly connected by a compact hallway. The interior offers a generous sense of space. The architects made it a priority to maximise the flow of natural light throughout the apartment. The location? In the sought-after and always welcoming residential area of Los Balcones, directly connected to the world-famous pink salt lake and just a stone's throw from the vibrant centre of Torrevieja. The apartment boasts 2 terraces: one measuring 31.40 m² and a second measuring 25.35 m². This means choosing between morning sunshine and afternoon light, relaxing in the shade or dining in the sun — almost every day of the year. The outdoor floors feature non-slip tiles in the same warm wood-look finish as the interior, creating a harmonious flow between indoor and outdoor...
