If you are looking for a spacious village property (170sqm) with plenty of storage space then this property is for you. Situated in the popular village of Daya Nueva which has a wide range of services and amenities this exceptionally spacious townhouse would provide the perfect family home in the sun. The property currently houses 2 bedrooms. With the internal garage located on the lower level and with internal access, there is scope to add 2 further bedrooms along with a bathroom. The living and sleeping accommodation is set out over 2 floors plus the garage - all connected via an internal staircase. The ground floor houses a larger than average lounge-diner, a guest toilet, plus an open plan kitchen with ample storage and workspace. To the front the of the property you have a covered sun terrace and large front garden. Leading off the lounge you have a summer kitchen and covered seating/dining area. The first-floor houses: 2 exceptionally spacious bedrooms (both with their own en-suite bathrooms). Internal stairs lead up to the rooftop solarium. With some fantastic views over the nearby countryside and mountains the solarium provides the perfect place for dining al-fresco! Day...
