This lovely detached property is tucked away on the outskirts of Daya Vieja, but still within easy reach of the village. The villa has 3 bedrooms, full bathroom, a very spacious 50 m<sup>2</sup> lounge/dining area, independent kitchen and large porch. Internal stairs lead up to the large attic which could easily be utilised as s/c accommodation or large bedroom leading out onto solarium. 1,000 metres of the plot has been fenced and is used for recreation with its own summer kitchen with wc, terraced pool area and car ports. The additional 5,000 + metres has been planted with fruit trees. A perfect setting for those looking to enjoy Spanish-style living to the full!
