Here we have an incredibly spacious property, very nicely situated on the edge of town, within easy reach of amenities and motorway access. Whilst still enjoying an authentically tranquil rural setting. The bungalow comprises four bedrooms, two receptions (1 with independent external access) hallway leading to a very large lounge/dining area and independent kitchen with easy access to the large and very pleasant patio area with outbuildings. External stairs give access to the solarium. An incredible property all round, in need of some modernisation, Early viewing highly recommended.
