Do you want to own a property positioned first line to a stunning beach? We are pleased to offer you this great opportunity to fulfil your dream of living in a Scandinavian designed villa next to the beach of La Mata with the best orientation and views to the sea. To be completed mid June/July 2018. Prices range from €695,000 to €845,000 elite quality built villas. These new villas are divided between 2 floors and hosts 4 bedrooms with fitted wardrobes, 3 bathrooms, open plan kitchen and large lounge/dining area. Every beach villa includes: Private swimming pool, solarium on upper terrace with BBQ area (65m²), double access and private driveway, home automation system, air-conditioning, TV satellite and internet, under floor heating, alarm installation, rain resistant treatment on façade. Gardens and private terrace (16m²) designed by landscape artist with high tech security entrance cameras. The homes are designed to be a bright, open plan and an enjoyable. The architects have kept in mind our customers privacy and security, while designing a villa with which its colours and simplicity of lines complement each other throughout. The property includes home automation s...
