These are modern, luxury 3-bedroom semi- detached villas in Ciudad Quesada, Rojales, on the South of Costa Blanca. There are three villas that have underbuilds as optional, and the other villas all have a standard underbuilds, giving you a possibility of having another bedroom. Build area from 106 m2 on a plot from 200 m2. As soon as you enter this spacious house, you have a good size open plan living- dining room and kitchen, a double size bedroom and a bathroom with a walk in shower. On the second floor there are two double size bedrooms with built-in wardrobes, a family bathroom and a terrace to enjoy the views of the lakes. The master bedroom has access to its own terrace. There is plenty of outside space to enjoy the sun and a meal al fresco during the whole year. There is a low maintenance garden and off-road parking on the plot. These villas are being built with the top range of the ceramic tiles inside and outside; double glazed windows with a "thermal break" throughout; led lighting inside and outside the property; a 100 liter hot water heater; kitchen furniture, extractor fan and a stainless steel; pre- installment of the air conditioning system by ducts; bathrooms are equ...
