

Ref: BD 366

Semi detached villa, Ciudad Quesada

174,000€

La Marquesa Golf; Here we're delighted to offer onto the market this semi-detached villa in privileged position at La Marquesa Golf course. Only a short walk along the flat to the array of shops, bars and club house. The modern, high quality finished living area is distributed over ground level and comprises 2 bedrooms, 2 bathrooms (1 en-suite), American Style kitchen and spacious lounge/dining area. To the outside of the property there is a large porch with awning, ample car parking, tiled garden with patio to the rear and external stairs leading up to the ample solarium. Additional features include; ducted HandC air-conditioning throughout the property, water filtration system, automatic gates and irrigation, solar powered hot water, electric awnings to the terraces and new appliances. A real quality bargain, in a first class location. Started in 1972, Ciudad Quesada was one of the first residential urbanisations in Spain, it became one of the largest and is still one of the most popular for expatriate clients seeking a holiday home, but where it differs is in the number of people from foreign lands who have made their permanent home in Quesada. This permanent population means th...
