This spacious and tastefully reformed country property is a welcome addition to our property listings. Situated on the outskirts of town yet benefitting from mains water, electricity, drainage, even fibre optic connection. There's an independent kitchen, large lounge/dining area, off which there are two double bedrooms and bathroom. To the rear of the property is a large patio area with stairs leading up to the solarium where there is a storage room which could easily be converted into a third bedroom. Private parking is to the side of the house. The views are spectacular!
