ON THE GROUND FLOOR: Large living-dining room, large kitchen furnished with high and low cabinets, smoke extractor, hob, oven and sink. Storage room. Bathroom and terrace-porch. The living room is so large and is distributed in such a way that by building a simple partition you can get one more good bedroom. **ON THE UPPER FLOOR:** 3 bedrooms with a private solarium each, built-in wardrobes. 1 bathroom. **LARGE SUPERIOR TERRACE-SOLARIUM.** **QUALITIES:** Stoneware floor, marble staircase, with oak wood railing and handrail. White lacquered aluminum windows with double Climalit glass and iron bars. Four hot and cold air conditioning units. Interior wooden doors. Electric heater. Community pool 20 metres from the house. Own parking next door to the house. Neighbors living all year round. Spectacular views of the mountains and the urbanization. Access paved Private pedestrian street. The house has been completely inspected, repaired and painted and its general condition is magnificent.
