This is a beautifully presented villa in Daya Vieja, which is within walking distance to the amenities there and also to San Fulgencio, but maintains a tranquil and peaceful location. Set on a plot of 4,000 m² and living space of 200 m², this is a sizeable property which has maintained its original character and has had some renovation done by the current owners. Upon entering the grounds, is a paved driveway which has a garage to the left and covered parking for two cars. Upon entering the property, there is a front reception area leading into the main living/dining area. To the right is a good sized kitchen and master bedroom with en-suite bathroom. The other side of the living area, there are two further bedrooms and a family bathroom. The property benefits from air-conditioning throughout as well as radiators and ceiling fans. The living area and has a feature fireplace with beamed ceilings here, in the kitchen and also the reception area. It has had UPVC slide and tilt windows installed throughout with mosquito nets and blinds. All bedrooms have fitted wardrobes. The outside of the property has been well thought out with plenty of different areas. When looking at the property,...
