What an incredible reform opportunity! This spacious 4 bedroom property, set on a larger than average plot is arguably the best priced and condition currently available. The original design, built around a courtyard lends itself to an array of new possibilities, without too great an expense. Within easy reach of all village amenities, close to motorway access, yet only a short drive to the Blue Flag beaches of Guardamar del Segura and golf courses. An absolute MUST VIEW! for anyone seriously seeking a great reform option in a typically Spanish setting.
