Here we are delighted to be offering onto the resale market this spacious detached country property. Although this four bedroom villa is set in a tranquil rural environment enjoying country and mountain views, the main towns of both Crevillente and Albatera are not too far away. Also the motorway link to the airport, beach and major cities is just a short drive. With its nicely landscaped gardens and 10 X 5 metre pool this lovely villa makes for a perfect holiday or permanent residence setting. Early viewing recommended!
