Apartment, Ciudad Quesada

68,000€

First Line La Marquesa Golf. This beautifully finished property is perfectly situated enjoying unobstructed views over the fairway at Ciudad Quesada's famous golf course, designed by the late Don Justo Quesada. On the most sought-after flat part of Quesada all amenities including the Club House are within easy walking distance, the Blue Flag beaches at Guardamar del Segura, less than a 10 minute drive. Started in 1972, Ciudad Quesada was one of the first residential urbanisations in Spain, it became one of the largest and is still one of the most popular for expatriate clients seeking a holiday home, but where it differs is in the number of people from foreign lands who have made their permanent home in Quesada. This permanent population means that Quesada is one of the few urbanisations that remain open all year round, with a huge selection of services and facilities including over 100 restaurants, bars and cafes, a good selection of banks, supermarkets and other facilities and great civic facilities such as a cultural centre, town hall, bus services and lots more. The location is ideal, just 10 minutes from Guardamar del Segura with some of the best beaches in Spain and the inter...
