3 Bed 2 Bath Townhouse in Balcon de la Costa of San Miguel de Salinas. I am proud to present this wonderful townhouse located in the Balcon de la Costa of San Miguel de Salinas. Consisting of 3 bedrooms and 2 bathrooms. Being built in 1997 facing south. This property benefits immensely from its welcoming front garden hosting potted plants and outside seating. Also there is a large front balcony of 12m². Only a short walk into the main village of San Miguel de Salinas and having a bus stop at the bottom of the road, makes this property worth a visit. A brief description of the property: you enter into the front garden, tiled with a pull out toldos for shade for these summer months. A relaxing area of 27m² leading into the main living room with air-conditioning. Here is the American style kitchen with beautiful archways and built in units top and bottom. On the ground floor you have one double bedroom and a full guest shower room. Upstairs holds the 2 bedrooms and family bathroom with bath. Both bedrooms have direct access to the large balcony overlooking the local town with toldos. Comes with newly painted interior walls and french style shutters, including a brand new perimeter wall...
