The 3 bedroom apartment is conveniently located near both plazas in Los Alcazares. Upon entering, there is a hallway that leads to the good sized living room, which has access to a large balcony. To the right of the hallway is a separate kitchen with a utility room. Further down the hallway, there are three good sized bedrooms, all with fitted wardrobes. In addition, the apartment has two bathrooms and a garage included. The best feature of this apartment is its location, as it is close to a wide range of amenities and services. Los Alcazares offers diverse options of shops, restaurants, cafes and supermarkets, which makes it easy to access everything you need on a day-to-day basis. In addition, being close to both squares, it is likely that there is a lively social life in the area. As for outdoor activities, Los Alcazares is located on the coast, so the beaches will be within walking distance. This provides the opportunity to enjoy walks on the beach, practice water sports or just relax in the sun. In short, this 3-bedroom apartment in Los Alcazares is an attractive option due to its size, its amenities (including the balcony, fitted wardrobes, two bathrooms and garage space) ...
